

A57 - THICK PAINT: A DAY with VAN GOGH

INSTRUCTOR: MARIYA ZVONKOVICH

- Three small stretched canvases (6x6 to 8x10), one 9x12 or 11x14, larger if you are more comfortable on larger canvases.
- Brushes: #2, #4, #6 filbert and flat bristle) – perhaps two of each; also bring what you have. (Check Hobby Lobby specials and coupons)
- Metal palette knife: the best are those made in Italy – Meiningers carries these. I depend on #44, #51, (RGM PLUS) and a narrow mixing knife for starters.
- Pigments: Bring what you have, in primary and secondary colors plus white, gray and black, and favorite colors. Student grade colors are ideal for this workshop as we will be doing a lot of experimentation.

Please check our studio assignment. I will request the Painting Studio, but if we are assigned elsewhere and you prefer an easel you may wish to bring your own. If you use a pochade box, canvas boards will be OK.
