

## A61- Watercolor Monoprints

Instructor: Gayle Higgins

Phone: 282-0727

- A 4 x 5 piece of plexiglas, AND an 8 x 10 or larger sheet of plexiglas, both sanded evenly with a 600 to 400 grit sandpaper. NO SHINE LEFT on one side. The Plexiglas can be purchased at Lowe's, Home Depot, or City Glass. (City Glass will cut it to size.)
- Bar of soap
- Watercolor paints
- Brushes
- Q-Tips
- Watercolor paper 90#, hot pressed (Smooth finished watercolor paper)
- Wooden spoon or burnishing tool

*\*\*\*You may also want to use watercolor pencils, or if you have them, watercolor crayons. You also might want to bring a drawing you have created or a photo the same size as your plate.*
