WHO WE ARE

The Colorado Springs Fine Arts Center at Colorado College features an acclaimed art museum, art school for all ages and levels, professional theatre company, museum shop, restaurant, special event venue, and a lot more.

We are an entire arts district under one roof, and you are a vital part of the action. Because we receive almost no public funding, your membership is essential to help us bring top-quality arts programming to the Pikes Peak region.

By joining at the **Contributing** level and above, you make it possible for us to continue programs such as museum tours for school children, art classes for at-risk teens — as well as military personnel and their families, theatre classes for all ages, and more.

Join us as we take the arts to places you've never imagined.

It's easy to join or renew!
